

MELLOHAWK L O G I S T I C S

MELLOHAWK Logistics is an international provider of worldwide air, ocean and land transportation and logistics services, including customs brokerage, documentation and logistics consulting. We ship cargo of every kind and every size to every destination.

As an integral component of a global network with over 150 agents around the world, MELLOHAWK Logistics is fast becoming a key player in both developed and developing commercial markets, particularly Brazil, Canada, Chile, Cuba, Argentina, Peru, China, United States, Italy, Bulgaria, The Caribbean, Germany, Spain and United Kingdom.

At MELLOHAWK we understand that our most valuable assets are our professional relationships around the world and our extensive logistics knowledge. Our staff has over a decade of international shipping experience and we work in close partnership with our customers and suppliers to provide innovative and cost-effective services. With that in mind our specialty is problem cargo, complicated goods to difficult destinations, dangerous goods, and shipments that require sensitive handling. We provide creative, cost-effective and timely solutions to your shipping problems.

We are a Transport Canada Regulated Agent and a member of:

CIFFA - Canadian International Freight Forwarders Association www.ciffa.com &

FIATA - International Federation of Freight Forwarders Associations www.fiata.com

Additional logistics services include:

1. Airfreight Cargo – Express and Consolidation Services
2. Ocean Freight Cargo - LCL and FCL ocean consolidations
3. Permits and Licenses, Documentation Compliance, Letter-of-Credit Handling, Canadian and International Customs Clearance.
4. Warehousing and product storage.
5. Dangerous Goods trained staff in house (Radioactive and Regular DG Cargo)
6. Perishable Cargo shipments.
7. Transportation Insurance
8. Project Cargo Planning and Consulting
