WELCOME

THE EVENT

The Brazil-Canada Chamber of Commerce - BCCC thanks you for attending the Second Edition of the BCCC Meeting Around AME Roundup 2024. Your presence and participation will make this event a great success!

The BCCC Meeting Around AME Roundup 2024 is a satellite breakfast developed to showcase Brazil as a key country for the Mining industry. This event is focused on gathering leading professionals in the mining industry to bring their perspectives and insights on the global Economic impacts on the Mining sector, Changes in Regulations and the Financial aspects of Mining Projects, especially in Brazil and Canada.

Our team wishes you all the best and hopes the knowledge and insights gained during the event will serve you well in your personal and professional endeavours.

“ Thank you for coming, and we hope that you leave this event with new and useful information! ”

BCCC TEAM

ABOUT US

Established in 1973, the Brazil-Canada Chamber of Commerce - BCCC is a not-for-profit and independent business association held by the private sector to foster stronger commercial relations between Brazil and Canada.

We are proud to be a Canada-wide chamber with a presence in Toronto and five other Chapters, including Ottawa, Atlantic Canada, Manitoba, Alberta and British Columbia.

The chamber has six operational committees: Mining; Education; Trade & Investment; Innovation, Science and Technology - IST; Diversity and Inclusion D&I; and Environmental, Social and Governance - ESG.

BCCC AT PDAC 2024

The 18th Edition of the Brazil-Canada Conference at PDAC is a series of exclusive events focused on the Brazilian mineral exploration and mining industries around the 2024 PDAC Convention. The conference is organized by the BCCC and will be held between March 3 and March 6, 2024.

The 18th Edition of the Brazil-Canada Conference at PDAC 2024 includes:

- Welcome Cocktail on Saturday, March 2, in partnership with [ADIMB](#)
- Brazil-Canada Mining Brunch on Sunday, March 3
- Support to Brazilian Mining Day on Monday 4, organized by ADIMB
- Brazil-Canada Capital Markets & Mining Financing Luncheon on March 5

Don't miss this fantastic opportunity to join our select group of sponsors and leave your mark on the 2024 PDAC Convention! Learn more about our sponsorship package.

SPEAKER

ANDREA GARDELLA

Director & Principal Economist
at Alcance Solutions

Andrea founded Alcance Solutions in 2022 to help organizations translate country and industry risks into impacts on their business. Andrea is a go-to expert helping organizations make informed decisions for sustainable growth, assess the risks of doing business in emerging markets and frontier industries, and develop actionable risk management strategies with a long-term view.

Andrea spent over 12 years at Export Development Canada supporting Canadian exporters and investors grow internationally first as a Principal Economist, covering South America and natural resource industries, and then as a Senior Advisor advancing Canada's climate-related analysis and finance policy.

Andrea holds a Bachelor's degree in Economics from the University of Ottawa as well as a Master's in Global Security Studies-Environment and Energy from Johns Hopkins University.

SPEAKERS

MONICA HAMM

Client Success at TMX Group

Accomplished senior strategic communicator with 20+ years of progressive experience in investor relations, corporate communications and media relations. Extensive background in capital markets and public companies within the mining sector. Strong financial and investment analysis skills with the ability to forge strong relationships with investors, media, analysts, governments, and other key stakeholders. Education and experience have provided the foundation to effectively transition between industries especially in environmental and resource-related sectors.

WAYNE DRIER

CFO of Ero Copper

Mr. Drier is the Chief Financial Officer of the Company. Mr. Drier is a seasoned finance executive with 25 years of financial reporting, corporate finance and capital markets experience within the global mining sector. He has worked across a wide range of commodities and jurisdictions and has been part of a number of significant M&A transactions. He has previously held senior executive roles at Asanko Gold Inc. (Executive, Corporate Development), Coalspur Mines Limited (Vice President, Strategy and Corporate Development), Mantra Resources Limited (Commercial Executive), Norilsk Nickel International (Head of Business Development) and BHP Billiton Limited (Vice President, Commercial). Mr. Drier holds an Honours Bachelor of Business Science degree from the University of Cape Town, South Africa.

SPEAKER

NEVILLE DASTOOR

Principal, Head of Mining
Investment Banking
at INFOR Financial

Neville Dastoor is a Principal with INFOR Financial. From 2004-2016, Neville was part of the mining team at Canaccord Genuity in Toronto and Vancouver where he was most recently a Director in the mining investment banking group. While there, Neville successfully advised clients on transactions ranging from M&A and restructurings to IPOs and financings. Prior to joining the investment banking team at Canaccord Genuity, Neville was in mining equity research from 2004-2006 where he covered many of the Canadian listed precious metals producers. From 2008-2013, Neville served on the TSX Venture Exchange Local Advisory Committee. Prior to joining Canaccord Genuity, Neville worked as a structural engineer in Toronto.

Mr. Dastoor holds a B.Sc. (Civil Engineering) from Queen's University and an MBA from the Richard Ivey School of Business. He also holds a Professional Engineering designation and is a CFA charterholder.
